

# Allweld Engineers Pvt. Ltd., India, Bangalore

Oil Relay Valve & Power Pack

- **Company**
  - Designs & Manufactures Engineering Assemblies, Hydraulic Cylinders, Systems, Power packs, Fabrication and Machined Components.
- **Challenge**
  - Faster to market
  - Enhanced Communication
  - Powerful 3D Tool with Ease of use and could handle complex mechanisms
- **SolidWorks Benefits**
  - Reduced design cycles by more than 30%
  - Enhanced design communications with existing customers and prospects,
  - Shortest learning curve, Good user interface and Innovative tool.

*SolidWorks has maximized the productivity and minimized design cycle, Thanks to SolidWorks for Innovative and powerful solutions."*

*— Ms. Rekha.P Design Engineer*
