

Customer Success Story

Centpro Engineering

Centpro ventured into field of Process Design, Construction. We Manufacture and Supply Evaporators, Distillation Systems, Industrial Dryers and Process Equipment.

CHALLENGE'S

- In 2D, Showcase and presentation of the proposal was difficult
- Time consuming to draw assembly, in 2D
- Couldn't Properly Visualize the Product in 3D

SOLIDWORKS PRODUCTS

- SOLIDWORKS Standard

BENEFITS

- 50% time saved in assembly and drawing
- 80% rework time saved due to Solidworks 3D CAD functionality, Fast & Efficient Assembly Modeling
- Reduces cost by identifying issues in the digital model.
